

Program for protein core facilities network meeting (Halle, 23 Feb 2011):

Presentations:

9.00-9.25 Introduction to network of service facilities (Hüseyin Besir)

9.25-9.50 Focus: Bacterial expression (Screening, scale up) (Sabine Suppmann)

9.50-10.15 Focus: Eukaryotic expression (multi-protein complexes, PTMs)

(Joop van den Heuvel)

10.15-10.30 Coffee break

10.30-10.55 Focus: Dealing with insoluble proteins, refolding, quality control (Mario Lebendiker)

10.55-11.20 Focus: Automation of expression and purification (Ray Owens)

11.20-11.45 Focus: Characterisation of proteins (ITC, MS, etc.,) (Stephan Uebel)

11.45-12.10 Introduction to network tasks and discussion in working groups (Joop van den Heuvel)

Lunch break 12.10 - 13.30

Working groups:

13.30-15.00 Working groups discussions and preparation of summary presentations

15.00-15.20 Coffee break

15.20-15.30 WG1 (information exchange within network members) presentation (Hüseyin, Sabine)

15.30-15.40 WG2 (establishing standards in protein research) presentation (Ario, Stephan Uebel)

15.40-15.50 WG3 (access to technology for external users) presentation (Renaud, Louise)

15.50-16.00 WG4 (providing training & information to user community) presentation  
(Mario, Ray)

16.00-16.10 WG5 (mode of operation and funding) presentation (Joop, Arnaud)

16.10-17.30 Summary and discussion (chair: Joop van den Heuvel)
